

Holly Area Schools

Excellence in Action!

Jan. 21, 2022

Dear Parents and Staff of Holly Area Schools,

I am sending this communication to update our families on our **scheduled return to In-Person learning on Monday, Jan. 24.**

Throughout this week, we have continued to see improvement in our attendance rate and a decrease in overall positive COVID cases. We are continuing to monitor this data daily.

As we have communicated in the past, we remain committed to providing In-Person learning. We appreciate the support and patience of our middle school and high school families over this past week during our temporary transition to virtual learning.

We know circumstances can always change, but remain hopeful we will continue to experience improvement with attendance going forward through the remainder of this school year. We will continue to assess attendance data and keep our families informed regarding any decisions that may impact In-Person learning.

As a reminder, if your child becomes COVID positive, please report your case to the school so we can continue to track absences.

The health, safety and security of our students, staff and families remains our number one priority. I want to again thank our families for their continued support in helping us provide a safe, nurturing learning environment for all Bronchos.

We look forward to seeing all our students In-Person on Monday, Jan. 24.

Working together, we are #BronchosUnited.

Sincerely,

Scott Roper, Superintendent
Holly Area Schools
