

Holly Area Schools
July 16th 2024

Dear Parents and Guardians:

Please take a moment to complete the form and return it to your student's school. The Education Benefits Form collects information needed to ensure the school receives state and federal funding for education programs. **Without this information, Holly Area Schools could lose important funding for education programs that our students need.** These supplemental grants and programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional staff (ex. Reading Interventionists, Math Tutors, Academic & Behavior Aids)
- Teaching supplies and materials
- Counselors and Social Workers
- School Nurses
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

Why is Holly Area Schools requesting financial information? The Education Benefits Form determines eligibility of a student or household. The total count of eligible students is used to determine the funding amounts that will be made available to a school. The more forms returned the better.

What do I need to do? Please complete the attached form and return it to your child's school.

How will this information be protected? In keeping with current practices, all electronic documents will be protected by FERMI, and updated forms will be secured in a safe location.

What else might my student or household be eligible for? Based on the information you provide on your Education Benefits Form your child may qualify for other programs such as:

- Local programs such as Blessings in a Backpack
- Assistance with testing fees such as SAT, AP, etc.
- Programs that provide field trip support
- Programs that provide school supplies or assist with school fees
