We can't wait to see you!

Parent Advisory Council (PAC) is comprised of families advising and collaborating to improve the education, confidence, and social outcome of each student receiving Special Services.

Join PAC to:

- Network and build a community with parents whose children receive special services.
- Empower parents to become as informed as possible.
- Improve communication between your local school district.
- Create and promote a positive understanding and awareness of students with special needs.
- Establish a network of advocacy for families.
